Document Licensing

This document and all 247Condo Research is controlled through licensing. The following outline the strict terms of use for this document.

Use of Document

This document is the property of 247Condo and has been licensed for exclusive, speculative, review by the Licensee identified in the document.

No part of this document, in whole or in part, may be shown, distributed or otherwise made available *to any* other persons, companies or organizations.

247Condo at all times retains ownership of the information, recommendations and concepts contained herein.

If this Use of Document section is unclear, or you have questions about it, please contact Document.Licensing@247Condo.com for clarification.

Sharing Document Content

At some time the Licensee may wish to share some of the content or knowledge derived from this document with a person, company or organization not identified as the Licensee. The available options are:

Using Excerpts or Quotes from the Document

You may excerpt or reference 247Condo Research documents so long as you obtain prior written approval from 247Condo, and comply with any publishing requirements requested. To initiate the approval process, contact Document.Licensing@247Condo.com

Purchase Additional Licenses

You may purchase additional licenses for each person, company or organization that you wish to share document content with. To identify your purchase options, contact Document.Licensing@247Condo.com
